

Army Classes With Princeton and Cornell or Penn, as Top Rank Eleven of Eastern Division

Laurels Among the So-Called Big Three Go to Tiger Team

Football Season Closes With No Such Thing as an Eastern Championship; West Virginia, Michigan and Iowa Wind Up Grid Campaign Undefeated

By W. B. Hanna

For most of the football seasons the season has closed. Like all seasons it has been short, with much crowded into little. It has been short, but not always sweet. Among those not favored with the laurels are Yale and the Navy. Yale closed another disappointing season with a defeat by Harvard, and the Navy lost to the Army for the first time in four years.

The Army has earned the right to be considered—along with Princeton and Cornell or Penn, who are to meet Thanksgiving Day—as the top rank team of the Eastern division. There is no such thing as an Eastern championship.

Harvard, by the defeat of Yale, retained some disturbed prestige, but the laurels among the Big Three go to Princeton. Harvard has had better years and slipped a little this fall. Princeton was beaten twice. Yale lost three games and out of nine games won only five. There were three defeats and one tie, and not a really first class opponent was beaten.

Brown met with a disappointing finish after the victory over Harvard, and by the same token, Dartmouth finished heads up by beating Brown. The defeat of Washington and Jefferson by Detroit was a surprise. The W. and J. team was slumped since its victory over Lafayette at the Polo Grounds. Lafayette had a hard time winning from Lehigh, and the latter is entitled to credit for a good battle it made against a team supposed to outclass it. West Virginia won from Ohio University and goes through the season undefeated. So does Michigan, and so does Iowa.

A 20 to 20 game, such as Fordham and Muhlenberg played, is most unusual. Notre Dame's victory over Carnegie Tech was by a wider margin than Yale made against the metropolis of the East. Yale has only Nebraska to dispose of to finish the season unbeaten. Bucknell kept up its good work by slugging Rutgers in a game in which the slugging wasn't on one side. Georgetown and Boston College, two of the best, clinched in a scoreless tie, and California beat Stanford in the annual game between the Golden Gate two.

New Agreement Now Needed for Future Army-Navy Games

ANNAPOLIS, Md., Nov. 26.—Sad but making the best of the situation of their team's fine fight against the Army eleven in Philadelphia yesterday, 2,800 midshipmen returned to Annapolis this afternoon, and gave a hearty welcome to the group that was the last group to reach Annapolis.

The general talk that the game was the best exhibition of football ever played by the service teams and plans already being made for next year, when one team will take the lead, each having won twelve.

Satisfaction over the arrangements at Franklin Field and the incidents connected with the handling of the crowd is felt generally. The last game between the teams has been played in force, and the service will make a new agreement for a term of years, covering place, date and other matters.

The Navy loses by graduation this year the following first team players: Conroy, quarterback and captain; Parr, Taylor, end; Bolles, left tackle, and Winger, right guard. Those who will be first classmen and eligible to the captaincy are: Barchet, fullback; McKee and Cullen, halfbacks; Carney, left guard, and Morris, center.

No excuse for losing the game is made and credit is given the Army, particularly Smythe, for splendid play. The Navy, especially pleased with the brilliant work of Morris, will be at the Academy for two more seasons.

Dempsey Accepts Woods' Offer for Three Bouts
CHICAGO, Nov. 26.—Jack Dempsey announced here today that he had accepted the offer of James J. Woods, theatrical producer, for a mixed bout with Ed ("Strangler") Lewis, the wrestler, and for fights with two boxers yet to be named. The terms for the three matches are understood to approximate \$100,000.

The place for the matches has not been fixed, Jack Kearns, Dempsey's manager, said, but indicated that Jersey City, N. J., would be the place. The first match will be held in about three months, Kearns indicated. Harry Wills, the negro fighter, and Joe Beckett are being considered as Dempsey's opponents for the second and third matches, he said. Dempsey and Kearns passed through Chicago today en route to Salt Lake City. Kearns said they would return East in about two weeks, when plans for the fights are to be completed.

Penn Football Squad Resumes Practice
PHILADELPHIA, Nov. 26.—Coach Heisman's Penn football squad will resume practice to-morrow for the Turkey Day game with Cornell. No work has been done since Friday, the players being on-line spectators at the Army-Navy game.

The varsity players will be taken to the Seaview Golf Club at Absecon Tuesday, in the hope of giving them the same pep as was shown when they spent the last two days at the shore before the Penn State game. Rae McGraw's injured heel has improved and he may be able to start at halfback. In his place is not it either Sullivan or Craig will start.

Lexington Council in Lead
Administering the first defeat sustained by the Vikings in the New York State League at Society Field, Greenpoint, the Lexington Council K. C. Football Club assumed the lead in that competition. The Lexingtons won by 2 goals to 1, cutting down a 1-0 lead established by the Vikings in the first half. Carlson, the Vikings' famous center, shot the first goal after twenty minutes of play. McKenna equaled the restart, and ten minutes later Campbell put through the winning goal.

Tyroneville Cuts Win
The Metropolitan Football League game between the Tyroneville Celts and the Centro-Hispano soccer eleven at Flatbush Field yesterday was won by the Tyroneville Celts by the score of 3 goals to 1. Beckett scored after ten minutes, and the Celts were leading at half time by 2-0. McGrawy scored twice in the second half. McGrawy was the star of the single tally by Centro-Hispano.

Mulligan Will Captain Army Team in 1923

Riverside Boy, Who Plays at Guard, Is Elected by Men En Route From New York

By W. B. Hanna

WEST POINT, N. Y., Nov. 26.—On the trip home to-day the victorious Army eleven elected a new captain for next year. Cadet Dennis J. Mulligan, who has played three years on the Army squad, and who yesterday played against Navy at the right tackle position, was chosen to lead Army on the gridiron in 1923. Cadet Mulligan is twenty-two years of age and stands six feet three inches in height. He weighs 205 pounds. He is the son of Mr. and Mrs. James I. Mulligan, of Riverside-on-Hudson, and represents the 23rd Congressional District at the Military Academy.

Mulligan attended District High School and Columbia University before coming to West Point. He played football at both places. He entered the Military Academy July 1, 1920, and is a member of the class of 1924.

The squad arrived home from New York shortly after noon to-day. They had stayed in the metropolis on Saturday night, coming on from Philadelphia immediately following their defeat of the Navy. The players were not at the ferry landing here by the entire end of the day. The ancient stage coach, which has always been a necessary appendage to such celebrations, was dragged forth from its place of seclusion where it has been in disuse for six long years.

The players who participated in the game yesterday were carried off in it as twelve hundred pairs of willing hands grasped the long rope and hauled it up the steep hill to the plains. A celebration was staged in the mess hall, all the players being called on for speeches.

This evening in the gymnasium another rally was held. At this meeting the star-decked blue and gold blanket which has covered the Navy mascot for years was formally presented to "Fritz" Bretzinger, who captained the Army eleven during the season just closed and who played his last football game for the Army yesterday.

The Army players are all in good physical condition and were in ranks at dress parade to-night.

Twenty Heavyweights In Action To-night

Jimmy Johnson will trot out his heavyweight prospects in ten four-round bouts at Madison Square Garden to-night in an elimination tournament to get an opponent for champion Jack Dempsey. The show will be staged under the auspices of Tex Rickard.

The ten winners will meet again late next month, and the ultimate winner will not only get serious consideration for a tilt with the champ but receive a diamond-studded belt.

All eyes will be focused on Gypsy Daniels, of Wales, who recently defeated Jack Douglas. He is paired with Stewart Bell, of Texas.

Fifty Rounds of Bouts at 15th

Fifty rounds of battling, featuring Harry Coleman, the negro welter star, and George Bush in the stellar event, will be the feature of the 15th Infantry Army will witness to-morrow evening. In the semi-wind-up the contestants will be Johnny Mosley and Mickey Condon.

Fisher, as displayed on a fishing pier at Palm Beach two winters ago. That man couldn't get a hook on the line—he actually "hooked" the fish into the boat.

All of which is merely by way of saying that George W. Wightman would say no word concerning his rumored candidacy for office.

New Semi-Final to Tunney-Weinert Bout
Gene Tunney is in hard training for Wednesday night's return bout with Charley Weinert at Madison Square Garden. He is doing his preliminary work in the open air at Fair Haven, N. J.

The original semi-windup between Jack Renault and Billy Mike was cancelled yesterday because of the former's sudden attack of illness. As a substitute, Jimmy Kelly, the Bronx bear-cat, is to box Eddie the Bronx bear-cat. He is boxing instructor at Baruch College, and has been the best of business, including the champion Mickey Walker, Paul Doyle and Dave Shade.
